THE NEW US AIRWAYS DIVIDEND MILES WORLD MASTERCARD WOULD LIKE TO KNOW WHERE WOULD YOU FLY FOR 50¢

We want you to fly for 50¢!

Why? Because this card is all about rewards! To prove it we're kicking February off by offering 2000 50¢ flights – all month long! Plus, when you sign up for our 50¢ Flight Sale you'll receive an additional 15,000 bonus miles and up to 10,000 more when you transfer a balance. That's already enough for a free trip!

So how does it work?

Every weekday in February we're releasing 100 first come – first serve 50¢ flights to a select US Airways destination. One day it could be Paris, the next the Bahamas.

How are we choosing the destinations?

Well that's where you come in! We want YOU to help us decide which of the 225 US Airways destinations we should select. After all, you might be going there...for 50¢!

So get started now by choosing a city you'd like to visit and we may make it one of our 50¢ February flights!
