

Beautiful ideas, infinite design.

Walk down the aisles of paper, cardstock, and stationery to choose the right combination for your creation. We offer a variety of colors, sizes, and designs that make customizing your stationery easy.

Paper Planet also offers *personalization while you shop*.

CUSTOMIZABLE STATIONERY PACKAGES

Choose from 12 customizable stationery packages we have designed. Start by picking a card and envelope combination that suites you. Then choose the monogram that fits your style. Be sure to let us know what ink color is your choice. Customize for yourself or as a gift for someone else. Once you find a package that suits your fancy, try customizing it with a new color scheme. Don't forget to add a custom monogram style.
